November 2026 Challenge

Hello. Well, here we are in November! Another month equals another challenge. This month we are thinking about sandwiches! What's your favourite?

National Sandwich Day 3rd November 2026

National Sandwich Day is a fun, food-filled observance that gives people a good excuse to celebrate one of the most reliable meals around. The day is widely thought to be linked to John Montagu, the 4th Earl of Sandwich, whose name became attached to the food in the 18th century.

You can choose to complete as many of these challenges as you wish – simply email your evidence (a photo is fine!) with me at BexleyCU@LSEAT.org.uk and I will send you your stamp code! I hope you enjoy the challenge.

Here are some examples of artwork advertising National Sandwich Day. We'd like you to design your own image to celebrate this special day on the 3rd of November!

Design your own Sandwich

We would like you to design your very own sandwich. What will be your fillings and how many will you choose?
Perhaps your sandwich will have slices of cheese, cucumber and lashings of mayonnaise.
Draw a colourful picture of your sandwich and label your fillings.
Remember to decide which bread you're choosing… will it be brown, sourdough or white? Yum!

Now for the fun part …. can you make your sandwich?

For this challenge, we would like you to make the sandwich you created. With an adults help turn your design into the real thing!

Send us a photo of you enjoying your finished product.

Quiz

Below are some famous sandwiches from around the world. Choose one to research and write a brief description of it.
